

Agenda: 8th Annual Meeting of the Permafrost Carbon Network

www.permafrostcarbon.org

Sunday, 9 December 2018

Morning (9 am – 12 pm)

9:00 – 9:45 Introduction and overview of network activities

Leads: Ted Schuur, Christina Schädel

9:45 – 10:30 Synthesis updates I (5 minutes presentation, 2 minutes discussion)

Chair: Ted Schuur

Description: Synthesis leads give short presentations and update the group on ongoing and new activities and introduce afternoon breakout topics

Synthesis topics: Carbon Pool and Decomposability, Carbon Fluxes, Thermokarst

10:30 – 10:45 Coffee break

10:45 – 12:00 Synthesis updates II (5 minutes presentation, 2 minutes discussion)

Chair: Christina Schädel

Synthesis leads give short presentations and update the group on ongoing and new activities and introduce afternoon breakout topics

Synthesis topics: Modeling and Benchmarking, Microbes in Permafrost, Subsea Permafrost, Permafrost and Hydrology

12.00 – 1.00 Lunch

Afternoon (1.00 pm – 4:00 pm)

1:00 – 1:30 Introduction to afternoon activities and updates to new research opportunities, projects, and networks of interest to the Permafrost Carbon Network

Lead: Ted Schuur

1:30 – 2:15 Breakout rounds I: Breakout topics center around syntheses in progress or emerging ideas. Synthesis leads have an opportunity to engage new members, discuss analysis approaches, and receive critical feedback from their peers.

Leads: Ted Schuur, Christina Schädel

2:15 – 2:30 Coffee break

2:30 – 3:15 Breakout rounds II: Breakout topics center around syntheses in progress or emerging ideas. Synthesis leads have an opportunity to engage new members, discuss analysis approaches, and receive critical feedback from their peers.
